IMPORTANT

If you smell gas...

1. Move away from the source and call Jackson Energy Authority from a neighbor's telephone. In case of an emergency, we're available 24 hours every day. Call 422-7500.
2. Do not smoke or strike matches.
3. Do not use any electricity.
4. Do not use a cell phone or attempt to start any motor vehicle while in the area of a suspected leak.

If your power is out...

1. Check your fuses and circuit breakers.
 2. See if your neighbors have power.
 3. Use our App to report the outage or call 422-7500.
- Remember: Never touch a downed electric power line!*

Before you dig...

Call 811 before starting outdoor digging projects to ensure that your buried utility lines are marked. *It's free. It's the law. Call 811 before you dig.*

Increase in water use? Check for...

- ▲ Dripping faucet
- ▲ Broken pipes
- ▲ Leaking toilet tank

Got grease? Can it.

Help keep our wastewater system running smooth. Always pour any grease, oils, fats, or food drippings into an old can to cool, then throw the can into the trash.

Cable, Internet and Telephone services...

- ▲ New FCC regulations related to closed captioning are available on www.eplusbroadband.com or by calling 422-7500.
- ▲ Subscriber agreement details and important information about your services are available on www.eplusbroadband.com.

Know your visitor...

Jackson Energy Authority employees carry identification cards. For your protection, always ask to see proper identification before admitting anyone identifying themselves as Jackson Energy Authority employees.

IMPORTANT MESSAGES ABOUT YOUR SERVICE

Pop-up thunderstorms with high winds are common during the spring months. Outages often occur due to damage to power lines from tree limbs or downed lines. Get outage information and safety tips by visiting the Outage Center at www.jaxenergy.com/outages.

Common places for hidden water leaks are faucets, toilets and outside hydrants. Knowing how to read your water meter can tell you how much water you use in a day and help you check for leaks. Visit www.jaxenergy.com/water for info.

IMPORTANT

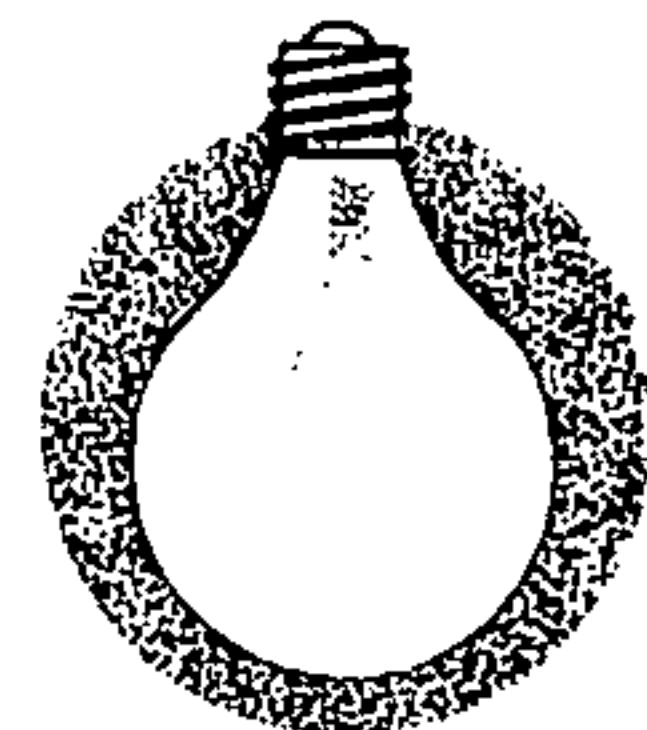

If you smell gas...

1. Move away from the source and call Jackson Energy Authority from a neighbor's telephone. In case of an emergency, we're available 24 hours every day. Call 422-7500.
2. Do not smoke or strike matches.
3. Do not use any electricity.
4. Do not use a cell phone or attempt to start any motor vehicle while in the area of a suspected leak.

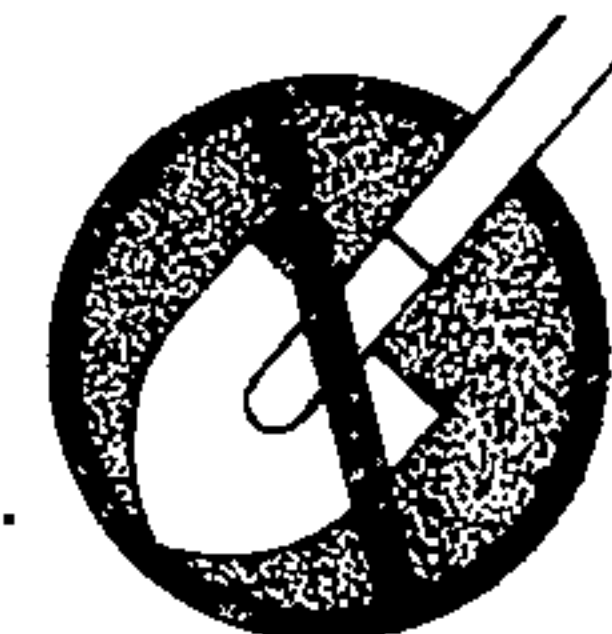

If your power is out...

1. Check your fuses and circuit breakers.
2. See if your neighbors have power.
3. Call Jackson Energy Authority.
Remember to never touch a downed electric power line!

Before you dig...

Call 811 before starting outdoor digging projects to ensure that your buried utility lines are marked. *It's free. It's the law. Call 811 before you dig.*

Increase in water use? Check for...

- ▲ Dripping faucet
- ▲ Broken pipes
- ▲ Leaking toilet tank

Got grease? Can it.

Help keep our wastewater system running smooth. Always pour any grease, oils, fats, or food drippings into an old can to cool, then throw the can into the trash.

Cable, Internet and Telephone services...

- ▲ New FCC regulations related to closed captioning are available on www.eplusbroadband.com or by calling 422-7500.
- ▲ Subscriber agreement details and important information about your services are available on www.eplusbroadband.com.

Know your visitor...

Jackson Energy Authority employees carry identification cards. For your protection, always ask to see proper identification before admitting anyone identifying themselves as Jackson Energy Authority employees.

IMPORTANT

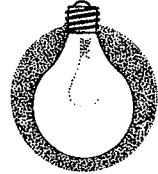

If you smell gas...

1. Move away from the source and call Jackson Energy Authority from a neighbor's telephone. In case of an emergency, we're available 24 hours every day. Call 422-7500.
2. Do not smoke or strike matches.
3. Do not use any electricity.
4. Do not use a cell phone or attempt to start any motor vehicle while in the area of a suspected leak.

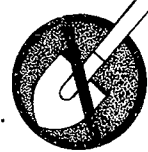

If your power is out...

1. Check your fuses and circuit breakers.
2. See if your neighbors have power.
3. Call Jackson Energy Authority.
Remember to never touch a downed electric power line!

Before you dig...

Call 811 before starting outdoor digging projects to ensure that your buried utility lines are marked. *It's free. It's the law. Call 811 before you dig.*

Increase in water use? Check for...

- ▲ Dripping faucet
- ▲ Broken pipes
- ▲ Leaking toilet tank

Got grease? Can it.

Help keep our wastewater system running smooth. Always pour any grease, oils, fats, or food drippings into an old can to cool, then throw the can into the trash.

Cable, Internet and Telephone services...

- ▲ New FCC regulations related to closed captioning are available on www.eplusbroadband.com or by calling 422-7500.
- ▲ Subscriber agreement details and important information about your services are available on www.eplusbroadband.com.

Know your visitor...

Jackson Energy Authority employees carry identification cards. For your protection, always ask to see proper identification before admitting anyone identifying themselves as Jackson Energy Authority employees.

IMPORTANT

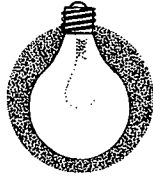

If you smell gas...

1. Move away from the source and call Jackson Energy Authority from a neighbor's telephone. In case of an emergency, we're available 24 hours every day. Call 422-7500.
2. Do not smoke or strike matches.
3. Do not use any electricity.
4. Do not use a cell phone or attempt to start any motor vehicle while in the area of a suspected leak.

If your power is out...

1. Check your fuses and circuit breakers.
2. See if your neighbors have power.
3. Call Jackson Energy Authority.
Remember to never touch a downed electric power line!

Before you dig...

Call 811 before starting outdoor digging projects to ensure that your buried utility lines are marked. *It's free. It's the law. Call 811 before you dig.*

Increase in water use? Check for...

- ▲ Dripping faucet
- ▲ Broken pipes
- ▲ Leaking toilet tank

Got grease? Can it.

Help keep our wastewater system running smooth. Always pour any grease, oils, fats, or food drippings into an old can to cool, then throw the can into the trash.

Cable, Internet and Telephone services...

- ▲ New FCC regulations related to closed captioning are available on www.eplusbroadband.com or by calling 422-7500.
- ▲ Subscriber agreement details and important information about your services are available on www.eplusbroadband.com.

Know your visitor...

Jackson Energy Authority employees carry identification cards. For your protection, always ask to see proper identification before admitting anyone identifying themselves as Jackson Energy Authority employees.
